(509) 382-4944**

**STALLION:
CAPTAIN BIANKUS
REG: # 1829132**

The undersigned owner of the mare known as,

Name: _____ Reg. #: _____

Age of Mare: _____ Color of Mare: _____

Breeding Status:

_____ Maiden _____ Foal on Side _____ Slipped _____ Other

Hereby agrees with Kelli & Tony Currin, owner of the Stallion, Captain Biankus that the mare owner has reserved a booking for the above named mare to be bred to Captain Biankus during the _____ breeding season in accordance with the following understandings and agreements.

The stud fee for such service shall be \$_____ payable as a booking fee and \$_____ after the mare is serviced or before the semen is shipped. If the mare is Artificially Inseminated, the mare owner is responsible for all collection fees and shipping.

Shipping usually consists of: \$_____ and the collection fees are usually \$_____.

The costs are the actual costs incurred. All mares are serviced on availability of the stallion.

The mare owner agrees to have said mare examined for pregnancy by a qualified veterinarian 40-50 days after last breeding date. Return privileges through the current breeding season, will be granted if pregnancy is not obtained.

None of the above mentioned fees shall be refundable. But after receipt of the stud fee, the stallion owner guarantees a return breeding the following season of said mare should a live foal not result from this mating and upon payment of an additional \$_____ handling fee or the costs to collect and ship.

The fee for board will be \$_____per day when the mare is left at the Currin's. All boarding fees, veterinary fees, etc must be paid in full before mare leaves. All vet costs incurred are the responsibility of the mare owner.

Mare owner should have mare examined and /or inoculated prior to arrival at stallion facility for virus abortion, flu, worms, tetanus, a negative uterine culture, and a negative Coggins test. If any said examination or inoculations are not completed prior to mare's arrival, the mare may not be accepted, if agreed by both parties they can be done by the qualified veterinarian used by Currin's at the mare owner's expense.

Kelli & Tony Currin or their agents assume no liability whatsoever for the mare that will not breed, cannot or does not conceive, or for any accident, injury, sickness, or death of the mare or any foal. And mare owner shall not be responsible for injury or accident to Stallion. Kelli & Tony Currin releases said mare owner from all such liability.

This agreement shall not be assigned or transferred and there shall be no substitution for mare without approval by stallion owner. Once this is signed it shall become a binding contract.
